We will have the right to refuse your child/children if they have fever, cough, sore throat, difficulty breathing and excessive runny nose. If your child presents any of the symptoms after drop off, we will call you for IMMEDIATE PICK UP.
- Parents need to do th health assessment to themselves and their child/ren every morning before coming to daycare,
- All children and staff are to wash their hands upon arrival at the facility.
- If the daycare is shut down due to COVID-19 reasons, no refund will be given to families. This also applies if a family is self-isolating for 14 days. Monthly fee will still be applied.
